Emergency back up line

If we have provided you with an emergency back up line (please see the Home Phone Guide for eligibility), subject to your location and network availability, the emergency back up line will allow you to make direct-dialled calls at no extra cost* during a power or network outage to:

- Freephone numbers;
- UK local and national geographic landline numbers starting 01, 02, 03; and
- UK mobile networks starting 07 (excluding Jersey, Guernsey and Isle of Man mobile numbers).

* Excludes indirect access, dial-up internet, premium rate services, and other services beginning with 07 (such as personal numbering, mobile wifi or paging services).

If your use of no extra charge calls to UK landlines and UK mobile networks on the emergency back-up line exceeds that reasonably expected of a reasonable person using the services for domestic purposes we may restrict, suspend or end your service. Further terms apply, please see Section C of the Virgin Media Terms and Conditions.

Your phone service must be kept for a minimum of 12 months.

All chargeable additional phone services must be kept for a minimum of 30 days.

¹ Only available with Weekend Chatter and Evenings & Weekend Chatter.

^{*} Voicemail and Call Waiting cannot be used on the same phone line.

^{**} Availability & service dependant on area. Customers in some areas may incur a charge of 36p per use.

^{***} The caller is charged only for the call to the dialled number at normal rates. You will be charged for the diverted part of the call from when the call is answered. Each participant in a 3 way call pays the normal dialled rate for the part of the call they dialled.

This feature is not available as part of a features bundle and is only available in areas 20-31. To check which area you're in, go to virginmedia.com/myvirginmedia, or check your bill next to 'Area reference'.

[◇] Calling 1471 is free, but if you choose to return the call (that's Option 3) you will be charged 24p, in addition to your call charges - just listen to the announcement carefully.

^{****} Availability depends on area.

** Availability & service dependant on area. Customers in some areas may incur a charge of 35.74p per use.

*** The caller is charged only for the call to the dialled number at normal rates. You will be charged for the diverted part of the call from when the call is answered. Each participant in a 3 way call pays the normal dialled rate for the part of the call they dialled.

This feature is not available as part of a features bundle and is only available in areas 20-31. To check which area you're in, go to virginmedia.com/myvirginmedia, or check your bill next to 'Area reference'.

< Calling 1471 is free, but if you choose to return the call (that's Option 3) you will be charged 19.2p, in addition to your call charges - just listen to the announcement carefully.

**** Availability depends on area.

Direct dialled call charges

- Call durations are accurate to plus or minus one second.
- For customers in a purple network area, if there is a power or network outage during a call, the call may continue for up to 10 seconds after the calling party has lost connection, and the calling party will be billed accordingly.
- Charge band periods (daytime, evening, weekend) are accurate to within plus or minus one second.
- Unless otherwise stated, call charges are shown in pence per minute and a call connection charge of 25p per call will apply.
- Call charges (including any call connection and pence per minutes charges) are rounded up to the next penny.

¹ Call connection fee does not apply. Virgin Mobile calls are free for the first 60 minutes, standard ppm rates apply thereafter. Re-dial before 60 minutes to avoid call charges.

⁴ Call connection fee does not apply. Mobile calls are free for the first 60 minutes, charge of 5ppm applies thereafter. Re-dial before 60 minutes to avoid call charges.

⁵ Discounted and inclusive mobile calls are to all UK mobiles. This doesn't include other services beginning with 07, such as Personal Numbering, Mobile WiFi or Paging services etc.

Calls to 'active' Virgin Mobile numbers are free. As with your landline calls, re-dial before 60 mins to avoid call charges. To be "active", the Virgin Mobile number called must have originated a chargeable outbound event (call, SMS, data session) within the previous 90 days. Remember that if you call a Virgin Mobile number that is roaming overseas, that number will still be charged any applicable roaming tariff, even though your part of the call may be free. Please note that new activations (e.g. new connections or numbers ported into Virgin Mobile) may take up to 72 hours to be recorded by our landline billing systems. Calls made prior to the number being recorded will be charged at the standard rate.
